The Western Nebraska APA is chipping in on your entry fees of all Singles Qualifiers in 2019!

Any player can run a singles qualifier. So run as many as you want in your own area! Pick from **single elimination, modified single elimination or double elimination**. Winners advance to Singles Regional in March 2020. We need only 8 players qualified in a skill level tier to host a regional for that tier here in Western Nebraska.

Get qualified by November 30th!

Remember that winners must stay on a roster in the format that they qualify.

Team Captains get \$5 off their entry fee! You must be a captain in the format that you are entering.

Example: 8-Ball team captains get \$5 off entry into 8-Ball qualifiers.

At the end of the year, we will divide up \$500 in prize money to players that run singles qualifiers. Players must be listed on a roster at the end of the year (December 31st, 2019) to collect this bonus. The more qualifiers you run, the bigger your share of the \$500!
